REVOCATION AND NEW POWER OF ATTORNEY

Dear Sir:

Under 37 CFR §3.73(b), MUSC Foundation for Research Development, certify that they are the assignees of the entire right, title and interest in the patent identified above filed on September 15, 2003, by virtue of: an Assignment submitted for recordaiton on January 30, 2004, from the Medical University of South Carolina for the patent application identified above, which is a continuation-in-part of prior application U.S. Serial No. 10/244,140 filed on September 13, 2002. The assignment to MUSC Foundation for Research Development is to be recorded on Reel/Frame (to be assigned) in the Patent and Trademark Office.

The undersigned has reviewed all the documents in the chain of title of the patent identified above and, to the best of undersigned's knowledge and belief, title is in the assignee identified above. The undersigned, whose title is supplied below, is empowered to act on behalf of the assignee. The undersigned hereby revokes all powers of attorney previously granted in the application and appoints:

Dr. Benjamin Adler, Registration No. 35,423, with full power of substitution and revocation, to prosecute the application and to transact all

business in the United States Patent and Trademark Office connected therewith. All correspondence regarding the application should be sent to Dr. Benjamin Adler, ADLER & ASSOCIATES, 8011 Candle Lane, Houston, TX 77071.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.

Respectfully submitted,

Date: 7/9/04

Kenneth J. Roozen, Executive Director
MUSC Foundation for Research Development
